

SAMPLE DATA · invented figures for demonstration

How many people did we help this month, and how many couldn't we reach?

Period: November 2025. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

October 2025

Locked

October 2025 is locked (closed 4 Nov 2025). These numbers won't change.

November 2025

Locked

November 2025 is locked (closed 2 Dec 2025). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

Why people couldn't be helped, November 2025

Main reason	People
Program at capacity	19
Waitlist	13
Outside the service area	11
Couldn't make contact	6
Not eligible	2

What it shows

495 people were helped in November, and 51 came to a program but couldn't be helped: 90.7% reached (target 90.0%), against 88.2% in October.

What you'd do about it

Youth outreach reached the smallest share: 88.4% (15 couldn't be helped). The main reason: program at capacity (19 people).

Made with Python: laid out in HTML and CSS, printed to PDF in Chromium.
