Why the overtime, March 2026

Overtime by technician, March 2026

What it shows

Technicians worked 63.5 h of overtime in March, 5.6% of ordinary hours (target under 5.0%), against 5.8% in February. Over the last year it has gone from 2.4% to 5.6%.

What you'd do about it

After-hours call-out is the main reason: 39.5 h, 62.2% of the overtime. Technician T7 carried the most (15.0 h). Above target by 6.9 h.
