

SAMPLE DATA · invented figures for demonstration

When do calls for help come in, and are we there to answer?

Period: January 2026. Every call to the help line: when it came in, whether someone answered, and how long the caller waited. The line is staffed 8:30am to 5pm on working days.

How final is this data?

December 2025

Locked

December 2025 is locked (closed 5 Jan 2026). These numbers won't change.

January 2026

What it shows

756 calls for help came in during January. While the line was staffed, 85.2% were answered (target 90.0%); 50.9% of all calls came outside staffed hours and went to voicemail. The busiest time was 5 to 8pm (154 calls).

What you'd do about it

154 calls came between 5 and 8pm, when no-one is on the line. 55 callers hung up waiting while the line was staffed.
