

SAMPLE DATA · invented figures for demonstration

# How many people did we help this month, and how many couldn't we reach?

**Period: September 2026.** People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

**How final is this data?**

August 2026

Locked

August 2026 is locked (closed 2 Sep 2026). These numbers won't change.

September 2026

Locked

September 2026 is locked (closed 2 Oct 2026). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

Why people couldn't be helped, September 2026

| Main reason              | People |
|--------------------------|--------|
| Program at capacity      | 50     |
| Waitlist                 | 25     |
| Couldn't make contact    | 8      |
| Not eligible             | 7      |
| Outside the service area | 4      |

**What it shows**

548 people were helped in September, and 94 came to a program but couldn't be helped: 85.4% reached (target 90.0%), against 82.3% in August.

**What you'd do about it**

Housing support reached the smallest share: 79.5% (26 couldn't be helped). The main reason: program at capacity (50 people).
