Tap a month for its workings. Every month, by line, is in the Excel download.

#### What it shows

128 calls for help came in during October so far. While the line was staffed, 74.1% were answered (target 90.0%); 57.8% of all calls came outside staffed hours and went to voicemail. The busiest time was before 8:30am (28 calls).

#### What you'd do about it

19 calls came between 5 and 8pm, when no-one is on the line. 14 callers hung up waiting while the line was staffed.
