

SAMPLE DATA · invented figures for demonstration

How many people did we help this month, and how many couldn't we reach?

Period: October 2026 to date. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?

September 2026

Locked

September 2026 is locked (closed 2 Oct 2026). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

Why people couldn't be helped, October 2026 to date

Main reason	People
Couldn't make contact	7
Program at capacity	5
Not eligible	1

What it shows

78 people were helped in October so far, and 13 came to a program but couldn't be helped: 85.7% reached (target 90.0%), against 85.4% in September.

What you'd do about it

Youth outreach reached the smallest share: 72.0% (7 couldn't be helped). The main reason: couldn't make contact (7 people).

Made with Python: laid out in HTML and CSS, printed to PDF in Chromium.
