

4<sup>th</sup>

The 4<sup>th</sup> Sheet

Your accountant gives you three sheets. I give you the fourth.

SAMPLE DATA · invented figures for demonstration

# Sample Advisory Pty Ltd

A Brisbane finance and operations consultancy: projects billed on milestones, monthly retainers and training. 6 consultants, 3 management and admin staff.

## How final is this data?

September 2026

Locked

September 2026 is locked (closed 2 Oct 2026). These numbers won't change.

August 2026

Locked

August 2026 is locked (closed 2 Sep 2026). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

## The fourth sheet: September 2026 vs August 2026

Consultant utilisation, September

74.0%

▲ from 71.1% in Aug

Revenue per billable hour

\$178

▲ from \$177 in Aug

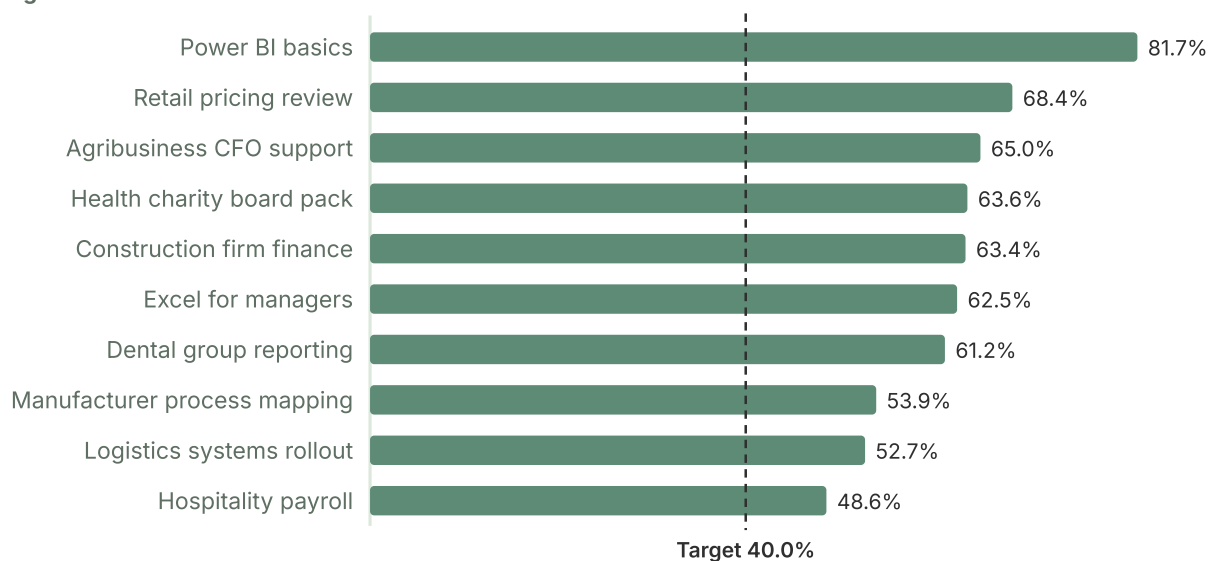

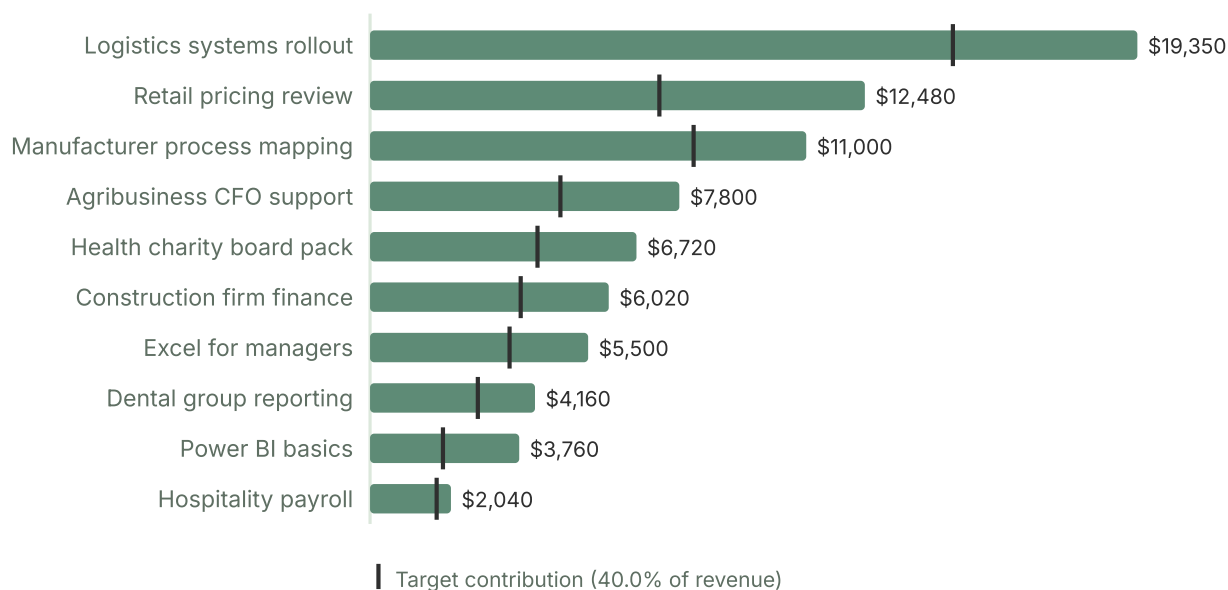

Unbilled work + unpaid invoices

\$216,090

▲ from \$149,190 in Aug

## Margin on each client engagement, September 2026 work only

September's revenue less contractors and consultant time at \$60/hour. Not the whole engagement to date. One 40.0% target for every engagement for now.

**Margin %****Contribution \$**

## How each number is worked out

### Consultant utilisation

*Billable hours ÷ hours available*

|                             | Sep 2026     | Aug 2026     |
|-----------------------------|--------------|--------------|
| Billable hours (timesheets) | 742.0 h      | 648.0 h      |
| Consultants                 | 6            | 6            |
| Working days                | 22           | 20           |
| Hours per day               | 7.6 h        | 7.6 h        |
| Hours available             | 1,003.2 h    | 912.0 h      |
| <b>Utilisation</b>          | <b>74.0%</b> | <b>71.1%</b> |

### Revenue per billable hour

*Revenue ÷ billable hours*

|                         | Sep 2026     | Aug 2026     |
|-------------------------|--------------|--------------|
| Revenue                 | \$131,850    | \$114,640    |
| Billable hours          | 742.0 h      | 648.0 h      |
| <b>Revenue per hour</b> | <b>\$178</b> | <b>\$177</b> |

Retainers and training are fixed fees, so fewer hours on them raises the hourly figure.

### Cash tied up in work

*Work in progress + unpaid invoices at month end*

|                                                | Sep 2026         | Aug 2026         |
|------------------------------------------------|------------------|------------------|
| Work in progress (project time not yet billed) | \$99,290         | \$77,900         |
| Unpaid client invoices                         | \$116,800        | \$71,290         |
| <b>Total tied up</b>                           | <b>\$216,090</b> | <b>\$149,190</b> |

Milestone billing on the logistics and manufacturer projects landed at the end of September, so it moved from unbilled to unpaid.

## Client engagements, September 2026

| Engagement                   | Type     | Hours | Revenue | Billed | Contractors | Contribution | Margin % |
|------------------------------|----------|-------|---------|--------|-------------|--------------|----------|
| Agribusiness CFO support     | Retainer | 70    | 12,000  | 12,000 | -           | 7,800        | 65.0     |
| Construction firm finance    | Retainer | 58    | 9,500   | 9,500  | -           | 6,020        | 63.4     |
| Dental group reporting       | Retainer | 44    | 6,800   | 6,800  | -           | 4,160        | 61.2     |
| Excel for managers           | Training | 30    | 8,800   | 8,800  | 1,500       | 5,500        | 62.5     |
| Health charity board pack    | Project  | 64    | 10,560  | 10,560 | -           | 6,720        | 63.6     |
| Hospitality payroll          | Retainer | 36    | 4,200   | 4,200  | -           | 2,040        | 48.6     |
| Logistics systems rollout    | Project  | 210   | 36,750  | 30,000 | 4,800       | 19,350       | 52.7     |
| Manufacturer process mapping | Project  | 120   | 20,400  | 24,000 | 2,200       | 11,000       | 53.9     |
| Power BI basics              | Training | 14    | 4,600   | 4,600  | -           | 3,760        | 81.7     |
| Retail pricing review        | Project  | 96    | 18,240  | -      | -           | 12,480       | 68.4     |

## Assumptions

### The business

|                 |                                                                                                                                                            |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What it is      | A Brisbane finance and operations consultancy: projects billed on milestones, monthly retainers and training. 6 consultants, 3 management and admin staff. |
| Reporting month | September 2026, compared with August 2026                                                                                                                  |
| Financial year  | FY2027: 1 July 2026 to 30 June 2027                                                                                                                        |

### Engagements (September)

|                          |                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------|
| Projects                 | hours worked at each project's rate; billed on milestones (unbilled time = work in progress) |
| Retainers                | fixed monthly fee, billed monthly                                                            |
| Training                 | fixed fee, billed on delivery                                                                |
| Engagements in September | 10 (every one is in the Excel download and CSV)                                              |

### Costs

|                         |                                                                    |
|-------------------------|--------------------------------------------------------------------|
| Consultants             | 6 on salary: \$46,500 a month incl. super                          |
| Engagement costing rate | \$60/hour for consultant time                                      |
| Working days            | 20 in August (Ekka show holiday), 22 in September; 7.6 hours a day |
| Income tax              | 25% of profit, provided monthly                                    |

### Cash and balance sheet

|                 |                                                                              |
|-----------------|------------------------------------------------------------------------------|
| Client payments | each invoice is paid on its own date; unpaid invoices at month end = debtors |
| Contractors     | paid the following month                                                     |
| GST             | excluded throughout, for simplicity                                          |

### Checks (all passed)

- ✓ Every subtotal and total adds up
- ✓ Balance sheet balances: assets = liabilities + equity
- ✓ Cash flow ends at the cash in the bank
- ✓ Profit ties to the movement in retained earnings
- ✓ Every engagement's revenue adds up to the P&L
- ✓ Work in progress equals unbilled project time; debtors equal unpaid invoices
