Callbacks by month

All · Within 2 working hours %

All · Median wait (min)

Working minutes only (8:30am to 5pm, working days). Every month, by line, is in the spreadsheet download.

Called back within 2 working hours, by channel, October 2025

What it shows

67.0% of the 100 enquiries called back in October heard back within 2 working hours (target 80.0%), down from 69.7% in September. The median wait was 75 working minutes.

What you'd do about it

13 more enquiries would have needed a faster callback to reach the 80.0% target. Email enquiries are the slowest: 54.5% within 2 working hours.
