

SAMPLE DATA · invented figures for demonstration

How many people did we help this month, and how many couldn't we reach?

Period: January 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?
December 2025 Locked December 2025 is locked (closed 5 Jan 2026). These numbers won't change.
January 2026 Locked January 2026 is locked (closed 3 Feb 2026). These numbers won't change.
October 2026 Incomplete October 2026 is still in progress: figures to 6 Oct only.

In short: 427 people helped in January; 49 couldn't be reached (89.7% reached, target 90.0%).
