

SAMPLE DATA · invented figures for demonstration

When do calls for help come in, and are we there to answer?

Period: April 2026. Every call to the help line: when it came in, whether someone answered, and how long the caller waited. The line is staffed 8:30am to 5pm on working days.

How final is this data?

March 2026

Locked

March 2026 is locked (closed 2 Apr 2026). These numbers won't change.

April 2026

Locked

April 2026 is locked (closed 5 May 2026). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

In short: 731 calls in April: 82.6% answered while staffed (target 90.0%); 51.3% came outside staffed hours.
