

SAMPLE DATA · invented figures for demonstration

How many people did we help this month, and how many couldn't we reach?

Period: April 2026. People helped by each program, day by day, and the people who came to a program but couldn't be helped (and why). People helped are counted against each program's own grant spend.

How final is this data?
March 2026 Locked March 2026 is locked (closed 2 Apr 2026). These numbers won't change.
April 2026 Locked April 2026 is locked (closed 5 May 2026). These numbers won't change.
October 2026 Incomplete October 2026 is still in progress: figures to 6 Oct only.

In short: 491 people helped in April; 93 couldn't be reached (84.1% reached, target 90.0%).
