

SAMPLE DATA · invented figures for demonstration

When do calls for help come in, and are we there to answer?

Period: October 2026 to date. Every call to the help line: when it came in, whether someone answered, and how long the caller waited. The line is staffed 8:30am to 5pm on working days.

How final is this data?

September 2026

Locked

September 2026 is locked (closed 2 Oct 2026). These numbers won't change.

October 2026

Incomplete

October 2026 is still in progress: figures to 6 Oct only.

What it shows

108 calls for help came in during October so far. While the line was staffed, 81.6% were answered (target 90.0%); 54.6% of all calls came outside staffed hours and went to voicemail. The busiest time was 2 to 5pm (20 calls).

What you'd do about it

13 calls came between 5 and 8pm, when no-one is on the line. 9 callers hung up waiting while the line was staffed.
